Macatawa from a Worthless Sand Dune to a Million Dollar Property

It Was Not Always Called Macatawa Was Formerly "De Mond"

WILL BUILD A SEA WALL THREE THOUSAND FEET LONG; WILL MEAN WORK FOR HUNDREDS

Has Put In A Water Works System Second To None At Any Resort

From the time that the entrance to Holland harbor was called "the mouth" or "De Mond" to the present time is a long interval in fact at least 60 years have intervened until the present day.

When Dr. Van Raalte backed by the old settlers of the "kalonie" had courage enough to attempt and succeed in getting an appropriation from the government for Hope Haven; the Macatawa of today was called "De Mond." The outlet then was but a narrow shallow stream on the south side of old Baldhead and Hotel Macatawa is built on this river bottom.

The government changed the survey and dug a new channel now the present outlet but the name still remained "the mouth" to Holland citizens and clung for years afterwards, and is still called thus by the older residents.

When John Roost sr., supported by other enterprising Holland citizens later bent his energies and efforts again received a meager appropriation from Uncle Samuel it was still called "the mouth" and Hope Haven was named Black Lake, a ridiculous change, to say the least.

Then again followed a long lapse of time when the mouth was inhabited the year around only by the light-house keeper and his family and some fishermen plying their trade. Occasionally a camp tent was pitched or a picnic crowd brought down from Holland by a large sailing vessel, to spend the day in dense forests at the head of the bay, but this was the only activity noticeable.

At last however it was for men like H. D. Post, Jack Post, Westveld, Dornink, Harrington, Walsh, Berch, Boone, Purdy and others to see the possibilities there of a summer resort. The beautiful expanse of water on either side of this narrow neck of land, namely Black Lake surrounded by virgin forests reaching to its waters edge on the one side, and Lake Michigan with its white sandy beach and rolling surf on the other, afforded a natural garden spot for summer tourists.

A company was formed and the land purchased from the government for a mere song. What has happened since is self evident. The once practically worthless waste has been converted into property worth millions, while adjacent resorts such as Ottawa Beach, Jensen, Waukazoo and Central Parks are properties of great value.

The United States government has expended at least a million dollars for harbor improvements such as piers, breakwaters and harbor construction. The farmers have received untold benefits from our resorts and Holland merchants have had dull July and August turned into months of prosperity made so by tourists who supply their wants here.

Now the outlet is no longer called "De Mond" or "the mouth" or the bay does not carry the appellation of Black Lake. It is now Macatawa, named so by the Big peaceful "Injun" chief who reigned over the red men whose wigwam were pitched along the shore and on the tributaries of beautiful Macatawa Bay. Waukazoo and his tribe hunted these forests unmolested, and at a time when the woodman's ax had not yet been heard Waukazoo's braves fished the placid waters of this bay when game warden were not. The blue smoke curling peacefully up from the camp fires of Macatawa's Indian villages could have been seen portrayed against the dark green foliage by any observer in those primitive days.

A beautiful picture to be sure, but all that remains of these aborigines is the name which stands as a monument to the peaceful Indian tribe who dwelt on its borders. And very appropriately so.

We paint this hasty word picture showing what has been accomplished, but in reality the accomplishments have only just begun. It may be new to a great many that a 16 foot stone road has been built and is nearly completed extending from Holland to Macatawa making one of the finest drives in the state.

Then again the Macatawa Park Company has just completed a new waterworks system second to none at any summer resort.

On the hill south of the power house a large steel tank with a capacity of 50,000 gallons has been built on a solid cement base 28 feet high

PUT ON OVER 100 NEW ONES.

The NEWS did not depend on getting so many new subscribers on its special kitchen set offer, but ruralites came in so fast that we ran out of sets before we were aware of it. OVERISEL IS A RICH TOWNSHIP

No Taxes Are Allowed To Remain Unpaid

The county treasurer of Allegan Co., has been making his returns on all taxes in from each township in that county and find that all have delinquent taxes, with the exception of Overisel. The township for several years back has paid every dollar in tax assessed against it and no wonder it is doubtful if there is an acre of ground in Overisel that is not good land in fact it is considered one of the garden spots in Michigan for the farmer. It's farms have produced good men too, Prof. Kleinhessel, Prof. Nykerk and Dr. Kollen come from there.

DR. LEENHOUTS TAKES OUT EYE.

John Tinholt of Zeeland who has been ailing from a trouble with his eye for the past several weeks, suffered such severe pain in the member that Dr. A. Leenhouts of this city and Dr. H. A. Rigtink of Zeeland after an examination found it necessary to remove the eye. The operation was performed at Mr. Tinholt's home in Zeeland and was successful to such an extent that he will be able to be around again in a few days.

ALL TOGETHER

Forget the past.
Everybody boost.
Knock the knocker.
Love your neighbor.
This town can stand it.
Patronize home industries.
And then boom industries.
And then boom some more.
Forget the liquor question.
And then keep on booming.
Wear a smile that won't come off.
Speak well of your business opponent.

Holland is the healthiest town in the state say Doc Godfrey, and health is better than wealth they say.

The man worth while is the man that can smile when the bank says that his account is overdrawn.

There is a new spirit in Holland Lets keep that spirit moving.

Winter Weather Still Here.

This cold snap coming as it does at this period of spring has been a dampener to business and everything else and there is a general prayer and hope that the weather will soon warm up.

The temperature Wednesday morning was the lowest recorded on an April day since 1911 when 17 above was recorded one morning. Last year the lowest April mark was 24 on the twentieth.

The coldest April day ever recorded says the weather man from the Grand Haven station was ten above many years ago.

Wintery weather has prevailed now for a week and the cold snap has been so long continued that it has worn its welcome out and a little bit of old of old summer would be appreciated by everyone.

At present the Bull Moose party in Michigan seems to be more bull than moose.

and 7 feet thick. The tank is at an elevation of 190 feet giving the water a pressure of 90 lbs. Six inch mains lead from the tank to the power house and then to the lake front to the east, another similar main goes west to Lake Michigan. The main goes through the business district from the east and meets making connection with the main that carries the water along the Lake Michigan water front thus making a complete circuit. At intervals of a few hundred feet in the business district fire hydrants are placed and also several are located in the residence district, giving the resort a more adequate fire protection than ever before. All pipes are below the frost line assuring cool water all summer long.

Some of the finest water obtainable has been procured by boring down seventy feet between the two hills to the west of the Power house. In driving the well quick sand was first encountered, then clay and at 70 feet a bed of gravel. Through this strata of gravel according to analysis the water seeps in from Lake Michigan about two miles from shore. Samples of this newly found water was sent to the State Board of Health at Lansing and pronounced as very good water containing certain proportions of iron and other health-giving ingredients. The supply of water is inexhaustible.

The Water works system completed this fall and winter is by no means all that will be accomplished. The resorts, especially Macatawa, have been trouble for some time by washouts on the Lake front. The long board walk has been broken up, the embankment upon which several cottages are built has been partly eaten away by action of the wind and waves, which no doubt will destroy the whole Lake Michigan lake front if something is not done to prevent it. Several experiments have been made from time to time with jetties and piling but to no avail. At last it has fallen to the lot of Mr. D. P. Perry and the Macatawa Resort Co., with Swan A. Miller as the leading spirit, who are co-operating with W. G. Herpolsheimer and H. W. Ten Broek of the Board Walk and Cottages Association to consummate a deal whereby a sea wall to be three thousand feet long will be erected.

Mr. D. P. Perry of Chicago who recently became identified with the Resort Company, has at his own expense, put in over one hundred feet of sea-wall on Valley Avenue on the Lake front which consists of a reinforced concrete construction, with slabs seven feet below and seven feet above the water line, which is worked out on some system of sheet piling, with a solid concrete wall 8 inches thick back of it, and with a sixteen foot cement walk above, it has demonstrated to be practicable and able to withstand the elements.

Reliable engineers have figured that the cost per running foot for a sea-wall and a 16 ft. cement walk will be about fifteen dollars (\$15.00). Six dollars of this, besides the cost for intersections, will be paid by the Macatawa Resort Company, and six dollars will be paid by the property owners on the lake front. Mr. D. P. Perry will personally contribute five thousand dollars as a donation to this work if a similar amount is raised by the cottage owners in the woods and on the hills. Several of them have already donated and the amount has nearly been raised.

The sheet piling is of peculiar construction it is moulded like a flooring but will be 8 inches thick and 16 inches wide. The flooring so-called and made of cement, will be reinforced by iron rivets which look like hair pins and are placed 8-inches apart the whole length of the cement slab. When these slabs are put together seven feet deep in the sand, and seven feet above ground it will be air tight and water tight but not satisfied with this, another solid wall 8 inches thick will be built against the sheet piling from the inside the whole length of the 3,000 feet. Then the wall will be surmounted with a cap protruding ten inches toward Lake Michigan so that the heavy sea and spray will fall back into big Lake instead of going over the walk.

When the wall is finished all stump logs and other debris will be taken away and the intervening space filled with sand, to within a few feet from the top. On this sand will be built a cement drive 16 feet wide along the whole lake front. On this drive will be a boulevard lighting system, and seats will be placed conveniently along the sea wall. The expenditure will entail an outlay of some \$60,000 and no doubt the work of construction will be started early in the season in order to have it completed before next fall, so that winter's storms cannot further destroy walks and lawns and undermine the foundations of cottages along the lake front.

Mr. Perry, although a recent arrival at the resorts, has already done a great deal to further its interests in a material way. Besides giving the \$5,000 he has also donated the one hundred feet of cement sheet piling built as a sample. Mr. Perry does not own a dollars worth of property on the lake, but is interested enough in the resorts to know that what benefits one benefits all.

The Resort Company the last few years has shown a tendency to do things. Mr. Miller says, several new drives and walks will be laid this year and besides a fine moving picture theatre will be in full operation with the very best and highest class shows.

Keep up the good work. Holland is very much interested and should give material aid in advancing the welfare of the resorts in this vicinity.

FIRST CANDIDATE FOR COUNTY TREASURER ANNOUNCES HIMSELF

Holland Township Man Announces His Candidacy

Jacob Van Dyke of Holland township has announced his candidacy for the Republican nomination of County Treasurer. Mr. Van Dyke authorized the announcement of his candidacy.

Mr. Van Dyke is a farmer and is one of the best liked men of his township. He is a native of this county and has lived his entire life of about 50 years in the neighborhood of his present home.

In his early years Mr. Van Dyke attended and graduated from the Grand Rapids Business college and is an exceptional fine penman. He has a splendid education. He was for 10 years clerk of the township of Olive and at the present time is serving as justice of the peace in Holland township. He has for nine years served as secretary of the Harlem Creamery company.

Mr. Van Dyke is the first man in the county to announce his candidacy for this office and there is every reason to believe that his candidacy will be a strong one.

It is now the Poor Markuette. The Holland W. R. C. are rubbering for rubbers.

Why worry about the safety of T. R.? If he had a disagreement with a South American river, the river got the worst of it.

April seems not to be so enthusiastic about spring weather as the rest of us.

HOTEL HOLLAND WILL DISCONTINUE DINING SERVICE

Will Run Hotel on European Plan. JOHN HOFFMAN WILL CONDUCT LARGE CAFE IN HOTEL.

After May 11, Hotel Holland will be run on the European plan, instead of the American. The hotel is being remodeled throughout and 25 rooms will have running water, hot and cold, besides a bath in every room. All rooms will have new beds and mattresses and the rooms renovated throughout. But this is not all the change that will take place. John Hoffman of the Hoffman's Cafe has signed a five-year lease to run an up-to-date cafe in Hotel Holland and hereafter all guests will be fed a la Carte. The Smith Drug store will be converted into a cafe and large swinging doors will lead to the spacious dining room of the hotel proper. The cooking will be done in the regular hotel kitchen. Workmen are already busy getting things in order and fixtures are being bought which will make this eating house one of the best and up to date in Western Michigan.

All the guests of the Hotel Holland Cafe, (as the place will be called); will be allowed the use of the lobby and smoking rooms in fact all the accommodation that the Hotel Holland now gives its regular guests.

Ben Hoffman has resigned his situation with the Holland Interurban, and will manage the John Hoffman Cafe on West 8th street, which will also be remodeled throughout. John Hoffman will devote all of his time to the cafe in the hotel. The lease of Mr. Smith will have expired by May 1, but he has not yet decided where he will locate.

NEIGHBORHOOD NEWS & ITEMS

HOLLAND TOWNSHIP

By a vote of 251 to 201 the people of Holland township at one of the hottest elections ever held in that township elected J. J. Rutgers supervisor over his nearest opponent John Y. Huizenga, who has held the position for many years. In spite of the fact that he was running on slips, Huizenga succeeded in landing 201 votes, mostly, it is claimed, from the east end of the township, where his strength was admittedly greater than in the west end, where Rutgers had a strong following.

Very little attention was paid by the voters to any of the other offices in the township. All day long automobiles and rigs were kept busy tak-

John J. Rutgers

ing the voters from all parts of the township to the polls, and at the town hall there were some interesting scenes during the day.

The other officers elected in the township Monday were as follows: Clerk—A. Vander Haar. Treasurer—Jacob Witteveen. Highway Comm'r—G. J. Nykerk. J. of P.—J. Van Dyke.

Mem. of B. of R.—C. Van Kampen. The election of Monday was an other sign, it is believed by many, that the proposed division of Holland township will some day be made. The interests of the east end of the township are entirely distinct from the interests of the west end, in which all the resort property is located. For many years the west end has charged that it was not being fairly represented and that its interests were not being considered as much as they should be. It was this largely that was back of the movement that first landed the nomination for Rutgers and later the election. The vote would probably not have been as large Monday as it was, if it had not been for the fact that the defeated candidate at caucus ran on slips. This was very strongly resented by the people of the west end as an unsportsmanlike act and it was for this reason that they came out strong to elect the man who had received the nomination.

At the annual meeting of the voters of Holland township held Monday noon in the Town Hall it was decided by a nearly unanimous vote to hold a union caucus next year instead of the various party caucuses, as has been the method of nomination since the township was organized. This will mean that the township will have practically a non-partisan election along the same lines as is being done in Holland. A committee, consisting of J. Y. Huizenga, J. S. Brouwer, J. J. Rutgers, Harry Getz and Nicholas Hoffman, was appointed to work out the new system and make plans for holding the Union caucus for next year.

The paving of North River Avenue has been up before the council more than once but so far it has been impossible to get the improvement made. The city engineer was some time ago instructed by the council to present plans and specifications and estimate of cost for the paving of that street up to the bridge, but no definite action has yet been taken. As soon as it became known that the council was contemplating improving this street the property owners along that street drew up a remonstrance against the move, signed it, and filed it with the city clerk. Today a northsider, who uses this street a great deal, came across with the following communication calling attention to the bad shape in which the road is in. The communication follows:

Editor of the City News:

I note that the city council spent some time discussing the purchase of a motor fire truck; before going any further with this they ought all to go out and take a look at North River avenue—for if they buy a truck, it couldn't get ten feet off the

brick pavement without being up to its hubs in the mud (at least that was our experience today with our truck). From there the firemen doubt could push the hose to the fire on wheelbarrows—on the side walk, not in the street—it couldn't be done.

The condition of that street surely is a disgrace to a city the size of Holland—or to a town of 200. If it was a side street it would be bad enough, but being the only approach to Holland from the north, it is all the more discreditable. I'll wager the Board of Trade doesn't take any visiting manufacturers up in that part of town to look at factory sites.

If Grand Haven were twelve miles nearer, River Ave., wouldn't be a road—it would be a gate—a closed gate—and all we lake shore farmers would be going north for our coal and groceries. Isn't the business of all the north shore worth enough to your city to build a few hundred feet of road to get in on? We don't ask for asphalt or brick—just dump some cinders or gravel, or even planks—just something we can roll in on.

Yours very truly,

April 4, 1914 H. W. GETZ.

This communication speaks for itself it is about time something is done for the benefit of the people who trade here and bring money to help build our city, at least it is not asking to much when they ask for a good road to enter our city. Steps should be taken to better conditions on North River Avenue.

The State Superintendent of Public Instruction, with the co-operation of the State Librarian, is required by law to prepare a list of books suitable for township and district libraries. These lists will be ready for distribution in about a month and copies will be furnished to each township and school officer entrusted with the care and custody of their respective libraries. From these lists the school officers are to select and purchase books for their libraries. This law, however, does not apply to city school libraries and high school libraries. The law is without doubt one of the most important school laws passed by the last legislature. No school plant is ideal without a library of well-selected books. The selection of not only good books but books adapted to the age of the child is vital. The list as prepared is arranged according to subject and in deed by both title and author.

OVERISEL

At the home of the bride's parents in Overisel the marriage took place recently of Miss Laura Julia Hoffman and John G. Rigterink. The ceremony was performed by the Rev. Mr. Hekhuis, and the ring ceremony was used. The couple stood under a bow of green and white. The bride was dressed in a beautiful gown of white trimmed with shadow lace. She carried a bouquet of white roses. Miss Sarah Hoffman, sister of the bride, served as bridesmaid. She wore a gown of white voile and carried a bouquet of pink and white carnations. Harry Rigterink, brother of the groom, acted as best man. The wedding march was played by Jeanette Slotman. After the ceremony a supper was served to about 150 guests.

DRENTHÉ

The funeral of Mrs. Anna Kremers was held Thursday from the home, 39 East Thirteenth street Holland. Interment took place at Drenthe, her former home.

EAST HOLLAND

Misses Reka and Jeannetta Andre were guests of Mrs. George Duer at her home in East Holland.

NOORDELOOS

Bert J. Slagh of Noordeeloos sold his 40 acre farm to John Kooyers, Jr., of this place for \$3,300 and in turn bought the 50 acres farm of John Van den Poppen at Harlem for \$5,000. Mr. Van der Poppen has rented the old homestead of the J. Ver Hage estate on the Vriesland road for a term of years and will take possession. Mrs. Ver Hage and family expect to move to Zeeland.

WEST OLIVE

The Rev. H. A. Luten of Grand Rapids will speak at the Ottawa School house Sunday April 12 at 2:00 in the afternoon also at 7:30 in the evening.

HUDSONVILLE

Hudsonville, April 7—While Henry Vanderstock, who lives nine miles southwest of this place, was moving a heavy hayfork on a scaffold in his barn to make room for storing some sleighs and other things used only in winter, the rotten flooring on the scaffold broke and let him and the fork to the floor. When he entered the house he was pale and staggered so that his mother asked solicitously what ailed him, but received no reply. He sat down in a dazed manner and the mother tried to get him to bed, but he would not leave the chair. She summoned medical aid and the doctors found that Henry was suffering from a shock caused by the fall. He rapidly grew worse and other doctors were summoned from Grand Rapids and a consultation held. It was decided to take him to Grand Rapids to a hospital and, if found necessary, to operate on him. He will be taken this afternoon. The accident occurred Sunday about noon.

Hudsonville, April 4—John Calder's little 3-year-old daughter, Margaret came near losing her life by breaking through the covering of an old cistern that had not been in use for several years.

A neighbor working near the Calder home, heard the little one's cries and hastened to her rescue. The family was in a distant part of the house and could not hear the call for help. This is the second child of Mr. Calder's who has broken through

into this cistern, and he says he will have it filled up.

Hudsonville, April 8—Henry Vrugink, a farmer living west of this village, was very badly hurt by falling from a haymow while attending to his stock. Dr. W. A. Maxfield is in attendance.

SAUGATUCK

Mr. and Mrs. Peter De Young and family occupy a part of the Hayes house and will work for Mr. Hayes on the farm this season. This family came from Holland, Europe, only about three weeks ago but are picking up our language rapidly.

The following teachers have returned to Saugatuck after having enjoyed their spring vacation. Miss Louise Lundgren from Pentwater; Miss Rea Allen from Hastings who was accompanied by two friends; Misses Grace Campbell and Hazel Bird from Ypsilanti; Miss Effie Randall from Allegan; Jas. Campbell from Ann Arbor and Miss Cecelia Konig from Kalamazoo.

Mr. and Mrs. George Minnitt entertained Thursday night in honor of Miss Margaret Smith's guest, Miss Maud Trunbull of Saugatuck—Haven Tribune.

The Misses Margaret and Madeline Scales of Saugatuck were guests of their aunt Mrs. R. A. Smith of Grand Haven.

There are two large excursion steamers being built at Detroit. As soon as they come out will enter the excursion business at Chicago. They are intended to give excursions all over the chain of lakes during the season and are looking for a point to lay up when not in commission. This harbor is a desirable one and efforts are being made to get them to lay up here when the season closes. It means a good deal to the place they decide to locate at as they pay out thousands of dollars each year in fitting out and other expenses.

Prof. Muyskens will have charge of the Saugatuck high school again next year but the other teachers will all be changed. Miss Grace Kirkpatrick a graduate of Albion College will be the assistant teachers in the high school. Miss Rachel McVea of Ganges will teach the Grammar room, Miss Halla Brayman, a graduate of the Central Normal at Mt. Pleasant will teach the intermediate room and Miss Gladys Ryan of the Western State Normal will have charge of the Primary room. All either have life certificates or come with the best of recommendations earned by much experience. Miss

Burgess has resigned her position and Mrs. Muyskens will teach the spring term in her place.

According to Charles A. Floyd, manager of the Holland Interurban, work will be commenced in about a month raising the voltage in the tension wires along the line to Saugatuck. Last summer on this road the service was poor on account of the lack of power in the trolley to keep the cars on schedule time. The power will be raised sufficiently to operate the big steel cars on that line without any trouble and the Saugatuck service will be greatly improved.

JAMESTOWN

In Jamestown township the full Republican ticket won, the following being elected: Supervisor, Gerrit Yntema; clerk, A. H. Bosch; treasurer, J. J. Van Dam; highway commissioner, J. H. De Weerd; Justice, Herbert Dean; Member of Board of Review, Gerrit Holleman.

Do You Patronize The MAIL ORDER HOUSES

IF SO

A careful study of the 240 pages of our Home Trade Price-Maker will show you that we are meeting the Mail Order Houses on the great line of merchandise, priced for direct-from-factory-shipment-to-you. You will find that the quality in each case is as good and many cases better than the mail order houses offer. The power of co-operation explains how we do it. We are associated with several thousand of the best merchants in the United States for the purpose of dealing direct with the manufacturers. We invite you to take advantage of the opportunities we offer in our big catalog—ask for one—make it your buying guide—our guarantee of satisfaction or money back goes with each article.

We Believe in Keeping Home Money at Home

We realize, however that hundreds of our people are buying from the catalog house, and that the profits on these sales are lost to Holland and vicinity. We have therefore arranged to

A serious accident was averted Thursday in Zeeland when Mrs. Gerit Smiderks was rescued from in front of an approaching freight train. She and Mrs. Boone were approaching in a buggy and did not see the train until it was nearly upon them. Mrs. Smiderks jumped and rolled down on the track while Mrs. Boone hit the horse and got safely across. John Van De Wall, the flagman, saw the danger, and risking his own life, jumped right in front of the engine and pulled Mrs. Smiderks off the track. The engine grazed her feet within three inches. It is only through the heroic work of Mr. Van De Wall that Mrs. Smiderks' life was saved.

The Young People's Society of the North Street Christian Reformed Church of Zeeland rendered their annual entertainment Thursday. The following numbers were given:

By special request, the Wagner Glee Club rendered two other selections. After the program the Society and the others on the program enjoyed a fine lunch and a short program in the basement. The church was crowded to its utmost capacity and the entire program was a great success.

The Rev. Henry P. De Pree, who has been connected with the Amoy mission in China for eight years, will come to Zeeland this spring by way of Siberia and making a stop in Holland to meet some of the friends in that country who are supporting the medical work in Amoy. He expects to reach America early in May. Mrs. De Pree returned to Zeeland about a year ago.

This evening the Young People's Alliance of Holland and Zeland will hold a public meeting in the North Street Christian Reformed church in Zeeland. The Rev. D. R. Drukker will be the principal speaker. For the benefit of those from Holland who wish to attend a special car will leave the Interurban station at 7 o'clock in the evening.

The C. of O. held their regular meeting Tuesday at the home of George Meengs. A regular business meeting was held and a new member was initiated. They decided to give a minstrel show in a couple of weeks.

Mr. and Mrs. Joseph De Pree, Bram Van Lee and Marien Dekker, are home from Ann Arbor for the spring vacation.

The Kaw Kew club met Tuesday at the home of Ruth Claver. The evening was spent in a short business meeting and playing parlor games. The next meeting was decided to be held at the home of Lois De Kruif.

A concert will be given by the Prospect Park Orchestra, assisted by soloists, Frank V. Smith, cellist, pupil of the famous cellist Edith Riley, George Damsen, violinist, instructor of music in Chicago, at Wyngaarden hall, April 17 at 7:45. Vocal music and readings will also be given.

Another veteran of the Civil war departed Monday noon in the death of Peter Rookus at the age of 75 years. He is survived by six children four boys and two girls, and twelve grandchildren.

George W. Dyer, teacher of Chemistry and Physics in the Aurora Illinois High School visited Zeeland High Monday.

Henry De Kruif made a business trip to Decatur Tuesday.

John Stephens of Muskegon was in town for a short visit with his parents.

Mrs. C. Kaslander of Vriesland died Tuesday at the age of 35. She is survived by her husband and a boy of ten years. She will be buried Thursday at 1:30 from the home and at 2 o'clock from the Vriesland church.

F. D. Boonstra made a business trip to Grand Rapids Tuesday.

The new pipe organ of the Ebenezer church was dedicated Tuesday. The Rev. P. P. Cheff of Zeeland spoke.

A special congregational meeting was held Tuesday in the First Reformed church. By a unanimous vote it was decided to give \$2,000.00 to the new English speaking church. This donation will nearly free the new organization from debt.

The twins of Mr. and Mrs. Jake Lokerse died Monday of pneumonia. They were five-month old. One died at noon and the other in the evening. They were buried Wednesday at 2:30 from the home on Main St. The Rev. P. P. Cheff will officiate.

Supt. Fell of Holland visited the Zeeland Schools Monday.

Mrs. E. De Spelder is visiting friends in Detroit and Tecumseh.

In the election in Zeeland Monday there were two tickets in the field, the Citizens ticket and the National Progressive ticket. Although the Progressives were very strong in that city in the national election, the whole Citizens' ticket was elected yesterday with the exception of the mayor, which office the Progressives captured. Following was the ticket elected in Zeeland.

Mayor—John Moeke; defeated James Cook, 195 to 181.

Clerk—J. W. Zoonen, defeated W. Van Koevering, 243 to 134.

Aldermen—John H. De Pree, J. A. Elenbaas and J. Pyl, won out over J. J. De Pree, J. Staal and P. Osewaarde, respectively.

Supervisor—C. Roosenraad, defeated Henry Roek by a vote of 229 to 155.

Treasurer—John Mulder, defeated Wm. Bareman, 245 to 126.

Justice of the Peace—John Meyerling, defeated Robert Leenhouts, 258 to 128.

As constables—John Rookus, H. Mulder, Wm. Hietje and Wm. C. Irvine were chosen over their opponents, John Pieper, Gerrit Amsing, Henry B. Mulder and Martin Kortsanje.

The people of Zeeland Monday decided by a vote of 307 to 117 to put in a sewer system in that city at a total cost of \$15,000. The bonds for this purpose were voted by the people Monday and the city is now in shape to go to work immediately. Plans and specifications have been approved by the council and the actual work on the new system can be begun as soon as the bond issue has been sold.

The voting on these bonds was the chief interest in the election in Zeeland Monday. The new sewer system has been discussed a great deal and the vote of nearly two to one in its favor showed that there was a great deal of sentiment for it.

The members of the Zeeland fire company have been made defendants in a law suit before Justice Meyerling next Tuesday; the day after election. The suit is brought by James Cook, present mayor and candidate for reelection and J. N. Clark city attorney separately to recover their annual salary of \$10 which the city pays the members of the fire department and the treasurer of the department has failed to pay over to the two members mentioned. The fire company has in its by laws a provision that any members who is absent from a fire for reasons other than sickness shall be fined 25 cents for each time that he does not respond to the alarm. It appears that Mr. Cook was absent when two alarms were sounded recently for a fire and Mr. Clark was absent when the alarm was sounded for another fire. The treasurer demanded their fines which they emphatically refused to pay, claiming that the excuses they offered were legitimate. When the money for the annual salary of the fire ladies was received from the city treasurer of the fire company was instructed by those in authority to hold up the salary of the two members until the fines mentioned were paid. Hence the suit. Later the money,

minus the amount of the fines was tendered Cook and Clark, which they refused to accept, so that the amounts in dispute now are 25 cents for Clark and 50c for Mr. Cook.

The trial was to have come up Tuesday but has been postponed until next week Tuesday.

WILL COMPLETE WITH MAIL ORDER HOUSE

JAMES A. BROUWER COMPANY START SOMETHING NEW IN HOLLAND.

Joins Association of Merchants Who Will Use Methods of Big Concerns.

No less a project than to compete with the large mail order houses that are taking millions of dollars from the people of the United States each year in profits is the plan that has been introduced in Holland by the James A. Brouwer Co. This is something entirely new in the retail business of Holland and it is believed that the example thus set will be followed by many other merchants who have hitherto competed with the mail order houses by small town methods which necessarily are more expensive than the methods of the large concerns, thus placing the small town merchant at a disadvantage. With the coming of the parcel post and other methods of easy transportation it has become increasingly necessary for the small town merchant to meet the competition of the large mail order concerns.

The result has been the organization of a mail order house in which the small town merchants are associated on a co-operative basis. In Holland the Brouwer company is the first concern to enter the association but there are over six thousand other merchants in all parts of the Middle West who already are in the concern and many more are being added every day.

The headquarters of this gigantic concern will be in Chicago where an eight story building is already being erected as central offices and clearing house. To this central office all the orders taken by the six thousand or more merchants throughout the country will be sent and handled. In this way the very same methods are employed which the mail order houses have employed successfully for many years. The orders on arriving in the Chicago headquarters are sent directly to the factory and from the factory the article desired is sent to the purchaser, whether the article is furniture or groceries or hardware. The local company of course will handle only furniture orders, but the central association will meet the competition of the mail order houses in all lines.

The Brouwer company has issued a catalogue containing 749 pages. This catalog is of furniture only and it contains fully as many samples as the furniture catalog departments in the large catalogs of the mail order houses. All the articles are described in detail. The local concern in its statement invites comparison between the prices quoted in their catalog and the prices quoted in any mail order catalog in the country, making the claim that the prices of the mail order houses are a shade higher in most cases.

The local firm claims another advantage for their system. In the case of the mail order houses the purchaser has to make out a bill of goods, purchase a money order and go through a number of other steps. In the case of the new plan the purchaser needs only to take the catalog, step into the local store, indicate what is wanted, pay the catalog price and the local company does the rest, backing up every article with full guarantee, in the same way as the mail order house.

In every way the new plan is to eliminate the middle man. The service is direct from factory to home. In this way there is no book keeping no waiting for returns, and many other expenses are eliminated.

The catalogues can be secured free of charge by calling for them at the Brouwer store.

The local firm will conduct this new business as one department of its line. No change will be made in its regular furniture business.

The case of Lewis Hayden vs. Peter Zalsman, both of Holland, Mich., appealed from Justice Dickinson's court Tuesday afternoon. Coburn and Misner, attorneys for the plaintiff ask for \$100 as the value of the property alleged to have been owned by the plaintiff and which was sold to Peter Zalsman of Holland by the respondent, Mrs. Hayden. The suit is against Zalsman, the second-hand dealer to whom the goods were sold after the Haydens separated.

PURITAN WENT SOUTH AS FAR AS OPPOSITE MUSKEGON TO MAKE HOLLAND HARBOR

The steamer Puritan of the Graham & Morton line encountered the worst storm of the season on its trip from Chicago to Holland Tuesday On account of the heavy seas it was unable to stop at St. Joseph. In order to make the Macatawa harbor the boat was compelled to head into the sea as far south as Muskegon harbor; and then come with the wind to the Holland channel to avoid getting in the trough of the sea. The boat arrived in Holland at about 6:30 yesterday morning.

Two horses that were to have been unloaded at St. Joseph suffered a great deal from being tossed about by the rolling of the boat, but were not seriously injured. The cargo for the most part was unharmed.

BENTON HARBOR AGAIN HAS ONLY ONE NEWSPAPER

The people of Benton Harbor have discovered that it is impossible for two daily newspapers to live in a small city. Last year the Daily Leader was organized and for some months it attempted to keep its head above water although there was already a daily newspaper in that city, namely the News-Palladium.

Yesterday the Leader went out of existence and the News-Palladium again occupies the field alone.

The move had back of it the Benton Harbor merchants who by experience during the past year have learned that two newspapers in that city is not at all to their advantage. They found that it was as uneconomical as two telephones.

MISS MARY B. SELLERS VISITING NURSE WILL SPEND A MONTH IN OTTAWA

Comes Highly Recommended; Will Visit the Homes, Clubs and Other Organizations.

Miss Mary B. Sellers, R. N., of Dayton, Ohio, arrived in the city late Tuesday to take up the work of visiting nurse in Ottawa county during the coming month. This work is the result of the Christmas Seal campaign that was conducted in this county last fall. The proceeds of that campaign will be used to pay for the visiting nurse service, each city and township to have Miss Sellers' service for the length of time that is in fair proportion to the number of seals sold by it.

Miss Sellers comes to Ottawa county highly recommended by the health organizations of Indiana where she has done most of her work hitherto. She has done a great deal of institutional work in Indianapolis, La Fayette and Richmond.

The work of the visiting nurse in Ottawa county will be largely instructive. She will work in the schools, in the various city clubs, in the church societies, as well as in the homes that are afflicted with tuberculosis. Yesterday she began her work in Holland by meeting with the Ladies Aid society of the Third Reformed church and giving that organization a talk on tuberculosis and its prevention. As soon as it can be arranged Miss Sellers will meet with the Civic Health Committee and the Board of Health to map out more completely the campaign during her stay in this city.

Mrs. G. J. Van Duren, who was in charge of the Seal selling campaign last fall, will cooperate with Miss Sellers while she is at work in this county. The work is part of the campaign against tuberculosis that is being waged all over the country. This disease is comparatively easy to prevent if the right methods are employed and the campaign of education that is put on by the visiting nurses has resulted in a great deal of good.

ROAD COMMISSIONERS ARE ALLOWED TO INSPECT ROADS BY RIDING WITH RURAL CARRIER

Hereafter road commissioners will be accorded the privilege of riding with rural carriers for inspection of roads. The new rule is announced in the January supplement to the Postal Guide and is as follows: "Post masters at rural delivery offices are instructed to permit road supervisors or commissioners having direct charge of the highways over which rural delivery routes are in operation to ride over the routes with rural carriers when such road officials are actually engaged in the performance of their duties in connection with the inspection of the roads." The new rule will enable highway commissioners to inspect roads without expense of conveyance.

HENRY GEERLINGS IS CHOSEN AS PRESIDENT FOR THE Y. M. C. A.

Executive Committee Makes Plan For Beginning Active Work Soon.

At a meeting of the board of directors of the Holland Y. M. C. A. Thursday the first annual election of officers was held, and Henry Geerlings was chosen president for the coming year. James A. Brouwer was chosen vice president, Dick Boter secretary, and Fred Beuwkes treasurer. These officers will be directly in charge of the work for the first year, although the board of directors, chosen the day before, will also take a hand and help the cause along.

The first thing done by the directors at their meeting Thursday was to pass a vote of thanks to Dr. J. J. Mersen for the work that he has been doing in bringing the organization to successful completion. The directors know perhaps better than anyone the part Dr. Mersen has played in the campaign and they expressed their appreciation in a formal vote of thanks.

At this meeting the directors were divided into three classes. The members of one class will serve for one year, those of the other two classes for two and three years respectively. Who should be in which class was determined by lot. The directors drew their class out of a hat and following was the result: The members who will serve for one year are D. W. Jellema, C. M. McLean, Jas. A. Brouwer, Fred Beuwkes, and Henry Geerlings; those who will serve for two years are H. Bos, C. Dykstra, Isaac Kouw, Fred T. Miles and D. Boter, the men who will serve for three years are O. P. Kramer, H. Van Tongeren, J. Vandersluis, J. E. Jacobson and Frank Bolhuis.

The executive committee then also considered engaging a local secretary who will be in charge of the work in Holland. This is one of the first steps in getting the actual work of the Y. M. C. A. under way. The local secretary will be a director of the activities of the boys and he will be the directing head.

Dick Boter, secretary of the Board of Directors of the Holland Y. M. C. A. received a letter from L. O. Moody of the Detroit Y. M. C. A., in which Mr. Moody accepts the call extended to him by the local organization to serve as secretary here for a period of one year. In regard to when he will come here, Mr. Moody says:—

"I have taken the matter up with the proper persons here relative to being released from my present position, and they have assured me that they will let me leave just as soon as they are able to secure someone else to take up my work. Just when this will be I do not know, but will inform you of the progress they are making. I have impressed upon them the necessity and importance of my getting on the field and feel sure they will do all within their power to take care of the matter promptly. You of course realize that I should not in anyway endanger the work here.

"May the confidence you have thus expressed in calling me to this important work be fully realized in the developing and saving of the young manhood of Holland, is the prayer of your newly chosen leader.

TEAMS TO COMPETE FOR HONORS THIS WEEK.

Hope, Alma and Olivet colleges, will hold their sixth annual triangular debate next Friday evening. Hope's affirmative team will meet Alma's negative team here and Hope's negative team will meet Olivet's affirmative team at Olivet, while Olivet's negative team will oppose Alma's affirmative team at Alma. The subject for the coming debate will be, "Resolved, That the United States Should Own and Operate Its Railroads." Judge Thompson of Grand Rapids and Attorney C. B. Wilkes of Allegan are two of the judges.

Hope's affirmative team comprises John A. De Boer, of Grand Haven, Henry Poppen of Sioux Center, Ia., and Henry A. Lockhorst of Waupun, Wis. The negative team comprises Theodore Zwemer and Leon C. Rosen of Holland and Henry D. Ter Keurst of Hamilton.

The Rev. Isaac Van Westen Berg, pastor of the Reformed church of Marion, N. Y., is in receipt of a call to the Emanuel Reformed church in Grand Rapids. Mrs. Van Westenberg was formerly Miss Reka Kamferbeek of this city.

HAVE BOUGHT FAMILIAR OLD TUG, HARVEY WATSON AND WILL OPERATE IT FROM HOLLAND.

Chief of Police Frank Van Ry and J. W. Wolters have bought the tug "Harvey Watson" from Chicago parties and will go into the commercial fishing business, operating from this port. The boat is expected in this harbor any day that the weather permits the trip across the lake and it will be moored at the dock near the Ottawa Furniture factory. The owners will set up fishing apparatus at that dock and will make it the regular landing place. Fishing will be commenced as soon as the boat can be gotten in shape after its arrival in this city. Most of the fishing will be done in the spring and fall of the year, as the crew of the "Harvey Watson" will be about the same as that of the Macatawa Park ferry boat, "D. P. Perry." Mr. Van Ry was captain of the "Perry" and Wolters engineer.

The "Harvey Watson" was owned by parties in this city about 20 years ago, and at that time Mr. Van Ry was captain of the boat. The "Harvey Watson" was the first ferry boat on Black Lake and was a well known sight to the older residents.

DEMENTED MAN WANTED TO GIVE ALL THE COLLEGE BOYS A JOB

"Let me out of here now, I want to give all the college boys in this city a job," said a man giving his name to the police as Buster Brown of Chicago as he peered at a policeman from behind the bars of the city lockup. Mr. Brown, so called, was picked up by the local officers after he had been kicked out of a local restaurant and had caused considerable commotion in the street. He was declared by a local physician to be mentally deranged.

It was later learned that Brown had come to this city from Charlevoix and was on his way to Chicago where he had a sister. He had about three dollars in cash and a ticket to Chicago when picked up. Tuesday he was released and put on the midnight train in care of the conductor.

Brown appeared to have been fairly well educated and was also well dressed. Although his clothes showed lack of care, he was wearing one of the latest style overcoats of a good cloth and also wore a respectable looking suit.

Brown also had some wonderful ideas. Ideas came to him faster than an ordinary man can think, and he rattled them right off in a steady stream. Brown is a musician, he declared; he can teach a band so they can play "like the trees and brooks." Brown is also very rich, close to a million dollars; all his folks are rich. Brown gives college boys a job selling antisepic brooms of which he is the inventor, and he offered one Holland young man a dashing offer to manage his firm for \$200 a day. He wanted the boys of Hope college to take a countless number of horses and wagons he had and go out among the farmers and trade them for chickens. Brown is also a graduate of the U. of M.; played on the football and baseball teams. He is also religious. He could lick a dozen men if they said anything against any church. Brown believed in all churches. Brown is also a very powerful man. He could take five men like Patrolmen Jack Wagner or Frank Austin and just carry them around the room like so many babies. These are only a few of the ideas that came from the stranger during his short stay in the city jail.

Brown seemed to be all right when he left this city on the midnight train Tuesday bound for Chicago, but by the time the train got to Michigan City he was making speeches and creating an awful disturbance according to dispatches from Michigan City today. He was locked up at that city and his relatives in Charlevoix notified.

Straight at It

There is no use of our "beating around the bush." We might as well out with it first as last. We want you to try Chamberlain's Cough Remedy the next time you have a cough or cold. There is no reason so far as we can see why you should not do so. This preparation by its remarkable cures has gained a world wide reputation, and people everywhere speak of it in the highest terms of praise. It is for sale by all dealers.—Adv.

Look To Your Plumbing

You know what happens in a house in which the plumbing is in poor condition—everybody in the house is liable to contract typhoid or some other fever. The digestive organs perform the same functions in the human body as the plumbing does for the house, and they should be kept in first class condition all the time. If you have any trouble with your digestion take Chamberlain's Tablets and you are certain to get quick relief. For sale by all dealers.—Adv.

the committee on entertainment yesterday. It is probable the date for the outing will be June 26.

The Rev. P. A. Bouma, pastor of the Fourth Reformed church has accepted a call to the Reformed church at Hull, Ia. The Rev. Mr. Bouma came to this city from Pella, Iowa, about two years ago and at one time was pastor of the Fourth Reformed church in Grand Rapids.

Sixty-five cents a dozen for eggs out in the country looks pretty high. But that is what a party in a small town in Ohio had to pay recently because the daughter of the farmer who shipped in the eggs took the liberty of writing a note on one. The eggs came by mail, and in Uncle Sam's parlance handwriting is first-class mail, not general parcel post matter.

Matthew Johnson, aged 80 years, died at the home of his daughter, Mrs. Oscar Brightall, 274 W. 18th street. Besides Mrs. Brightall he is survived by a son William of Tacoma, Wash. The funeral was held yesterday afternoon at four o'clock from the home of his daughter. Interment took place at Middleville, Mich., his former home.

The Holland charity organization has made arrangements for a permanent place where the people of Holland can leave old clothes and other articles that they would like to contribute for the aid of the poor families in the city. The committee in charge of this work, appointed by the Holland Charity association, is composed of Mrs. A. C. V. R. Gilmore, Mrs. George E. Kollen and Henry Geerlings. They have secured from the common council the use of the vacant room on the ground floor of the city hall, next to the police head quarters. This room will be the place where people can leave things. Poor director Van Zanten will be there each Wednesday.

The exceptional increase in the enrollment of its Sunday school during the past year has made it imperative for the First Reformed church to make provisions for larger quarters and a meeting of the members of the organization will soon be held for considering the purchase of the De Jongh property adjoining the church building on the south, which has already been approved by the consistory. If the project goes through an addition will likely be built to the church.

LIGHT VOTE CAST MONDAY

The five new aldermen who will serve for the next two years, four of whom were chosen at the election of Monday are: First Ward—Bert Slagh; Second Ward—J. A. Drinkwater; Third Ward—Nick Kammeraad; Fourth Ward—J. Vanden Ven; and Fifth Ward—Dick Steketee.

In the First Ward, Bert Slagh won over William Arendshorst by a vote of 235 to 203. In the second ward, James A. Drinkwater won easily, his vote being 107 as over against 57 for Fred Kamferbeek. In the third ward the vote was a little closer. In this ward Nick Kammeraad polled 138 votes and his opponent, A. J. Oxner, 120. Mr. Kammeraad has served in the council before. In the fourth ward there was no election on alderman Monday, J. Vander Ven having won at the primaries. In the fifth ward the total vote for D. Steketee, the victorious candidate, was 240, while the vote cast for D. W. Jellema was 176. Steketee won easily in both precincts. The first gave him 133 votes as over and against 99 for Mr. Jellema, and the second gave him 107 as over and against 77 for his opponent.

The total number of votes cast for the various candidates for alderman Monday was 1276, about half of the voting strength of the city of Holland. This does not take into consideration however that no vote was cast for alderman in the fourth ward. Taking the vote on the amendment in that ward as representing the normal vote that would have come out for alderman, the total vote for alderman Monday can be figured at 1510, or about eight hundred less than the total voting strength in the city. There were eight hundred people who were indifferent as to who was to represent them for another two years in the city council.

John Vanden Berg of the second ward was elected Monday as member of the board of supervisors over his two opponents, Edw. Vanden Berg and Simon Bos. The vote cast for J. Vanden Berg was 582; for Simon Bos, 476 and for Edw. Vanden Berg, 343. The wards voted as follows on supervisor: J. Vanden Berg—1st, 203; 2nd, 83; 3rd, 83; 4th, 79; 5th, 133. Simon Bos—1st, 102; 2nd, 22; 3rd, 97; 4th, 62; 5th, 193. Edw. Vanden Berg—1st, 90; 2nd, 34; 3rd, 68; 4th, 81; 5th, 70.

There was only one constable to

be elected at Monday's election, the others having been chosen at the primaries. The first ward elected J. Kamphuis to this position. Kamphuis won over Dick Ras, Jr., by a vote of 142 to 155.

After this the members of the board of public works and of the board of police and fire Commissioners will be elected by the people instead of appointed by the common council. By a vote of 839 to 521 Monday the people decided to make the change. It was the first referendum vote under the new charter and it was the first change made in that charter since it went into effect less than a year ago. In only one ward in the city did the people decide against making the change, namely, in the third. In the other four wards the vote for the amendment was larger than against it.

This is how the vote stood throughout the city on the amendment:

	I	II	III	IV	V
Against	184	51	136	105	145
For	221	102	122	129	265

The voting on the amendment was the result of a petition that was circulated in the city some months ago, asking for the referendum on the question. This petition was signed by over five hundred people, and the vote of Monday showed that many others, whose names were not found on the petition were in favor of the more direct way of electing the board members. Not much was said on the question during the campaign but evidently the people had quietly made up their minds that they wanted a direct say in naming the membership on these two city boards and they voted accordingly.

The passing of the amendment practically means that the administration of the light and water plant and the administration of the police department in Holland will be directly in politics in the future. It has been the policy in the police department ever since it was organized and in the board of public works as well to get as far away from political considerations as possible.

Although a small vote was looked for Monday and it was thought there would be no show of enthusiasm or old election spirit. After the election the supporters of Bert Slagh, alderman-elect of the 1st ward, formed a company of about 200 strong and with Slagh in an automobile they formed a torch light parade. With red fires burning and banners bearing Slagh's name, they paraded from Slagh's place of business near the Knickerbocker theater in East Eighth street to the city hall.

At the City hall some 300 voters gathered to enjoy the cigars at the expense of the victorious candidates and to hear the speeches. At M. A. Sooy, presided at the meeting and practically all the victorious candidates, with the exception of Alderman Drinkwater, gave short addresses. Many of the candidates for the various offices defeated at the primaries also gave addresses.

Deaths

Age De Vries, aged 68 years, for many years a resident of this city and an employee of the Cappon-Bertsch Leather Co., for the past 30 years, died Saturday night at his home, 53 East Sixteenth street. Besides a sister, Mrs. B. Rosendaal, he leaves a widow and ten children.

The funeral was held Tuesday afternoon at 1 o'clock from the home and at 1:30 from the Central Avenue Christian Reformed church. The Rev. R. L. Haan officiating. Interment took place at Graafschap.

Mrs. Thomas Mokma died at her home a few miles southeast of Holland Saturday evening after a lingering illness at the age of 39 years. She is survived by a husband and one son. The funeral was held yesterday afternoon at 12 o'clock from the home and at 1:30 from the Nykerk Christian Reformed church.

Juliana, the infant daughter of Mr. and Mrs. Edward Hietje, died Saturday at their home, 445 East Eleventh Street. The funeral was held Monday afternoon at 2 o'clock from the home.

HELPUFUL WORDS

FROM A HOLLAND CITIZEN

Is your back lame and painful? Does it ache especially after exertion?

Is there a soreness in the kidney region?

These symptoms suggest weak kidneys.

If so there is danger in delay.

Weak kidneys get fat weaker.

Give your trouble prompt attention.

Doan's Kidney Pills are for weak kidneys.

Your neighbors use and recommend them.

Read this Holland testimony.

Gerrit Doesburg, printer, 25 W. 4th Street, Holland, Mich., says: "I have taken Doan's Kidney Pills off and on for years with satisfactory results. I first procured this remedy some years ago at Doesburg's Drug store, as I had been troubled for years by kidney complaint and pains in my back. Doan's Kidney Pills were certainly effective, living up to all claims made for them. I shall always be pleased to recommend this remedy."

Mr. Doesburg is only one of many Holland people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. Doesburg had—the remedy backed by home testimony. 50c all stores. How to Detect the Alum Baking Powder

"Which are the alum baking powders; how can I avoid them unless they are named?" asks a housekeeper.

Here is one way; take the can of a low-priced powder in your hand and read the ingredient clause upon the back label. The law requires that if the powder contains alum that fact must be there stated. If you find one of the ingredients named alum, or sulphate of aluminum, you have found an alum baking powder.

There is another and a better way. You don't have to know the names of the alum powders. Use Royal Baking Powder only; that assures you a cream of tartar powder, and the purest and most healthful baking powder beyond question.

Mrs. Parker is a noted figure in state D. A. R. circles and the local chapter will exert itself to give her a hearty welcome when she comes to Holland.

A profitable meeting was held Tuesday night at the home of Mrs. J. F. White, E. 9th St. The devotions and program were in charge of Mrs. Harry Harrington, who gave an instructive talk on Immigration, using the facts given in Chapter from the Mission Study Book.

Bettering the condition of the Immigrant, is a big part of the work of the Home Missionary society. The "Home Missionary Alphabet" was given by 26 members. Much valuable information is found in this exercise prepared by Miss Chase, conference mite-box secretary.

A special feature of the meeting was the opening of mite boxes. This was in charge of the treasurer, Mrs. White who stated the money received from these boxes is used to pay the salaries of missionaries in Alaska and Washington.

Musical numbers were given by Mrs. D. Bertsch, Mrs. John Praaken, and Miss Girard.

Dainty refreshments, suggestive of Easter were served by the hostess. FOR SALE—A Baby buggy in good condition. Inquire at A. Steketee's Dry Goods store.

WOMAN'S LITERARY CLUB LISTENED TO FINE PROGRAM

Interesting Addresses and Papers On This Subject Are Presented.

Peace Day was celebrated by the Woman's Literary club, Tuesday. Mrs. A. F. Bruske opened the program with a paper on "The Peace Movement." She believed that all were fast discarding the idea of the necessity of war. It is the men that are always prepared for war who are continually urging it upon us. The growth of the idea of an international peace conference was received and the triumphant culmination in the building of the Peace Palace at the Hague.

People are looking forward to the opening of the Panama canal and to the exposition at San Francisco as a time when much more shall be accomplished for universal peace.

Mrs. Harold W. Robbins, then played "The Second Paganini Study" in E flat by Liszt and as an encore Poldini's "Waltzing Dolls."

Dr. G. J. Kollen's address on "The Peace Palace" did not take such an optimistic view of the peace situation as did that of Mrs. Bruske.

He was disappointed that there had been so little headway made for peace. There was never a time when the common people were so opposed to war as now. They are fast getting to the point of saying, "We won't fight anyhow." There have been holy revolutions and will be again. The army should be maintained merely as a police force. It has been said of Roosevelt, (whose opinion in regard to preparedness for war is well known), that he likes a gun.

Andrew Carnegie has said that if questions between England and the United States were left to the merchants of London and New York they would soon be settled. We are now learning that we cannot afford war as money can be spent in better ways.

The people who wanted peace said, "We must have a building to stand for something." Andrew D. White proposed the plan to Andrew Carnegie. A letter written by Mr. White was read. This told of the discouraging correspondence on the subject between himself and Carnegie. It was only at the end of a week's visit to Carnegie, during which nothing could be said on the subject that Carnegie finally told Mr. White that he would help build the peace palace.

The Peace Palace was finished last summer and dedicated August 28. Dr. Kollen was invited to the functions attendant upon this ceremony. The ladies were shown the invitations to these. The Palace is 253 feet square with an inner court 110 by 140 feet. The high tower is 275 feet high and the whole building covers sixteen acres. After the program tea was served in the dining room. This was in charge of Mrs. Nibbelink.

WHAT YOU SAW IN THIS PAPER THIRTY FIVE YEARS AGO

The schooner Wollen and Plugger left on Monday evening last with cargoes of lumber. They are the first of the season, and were towed out by the tug boat Twilight.

Messrs. Lane Van Putten and James Van Heulen started for Kansas on Monday evening last, to look for a chance to start into business for themselves.

At Zealand the following was elected: Supervisor, C. Van Loo; Clerk, Jacob Den Herder; Treasurer, M. Van Dulne; Com. of Highways, C. De Putter; School Inspector, J. Den Herder; Sup't of Schools, C. Van Loo; Justice, M. Den Herder; Constables, A. Romeyn, J. Pyl, J. Rygel and A. De Groot.

THIRTY YEARS AGO

A. B. Bosman, hardware merchant of Hamilton, has sold out his business to Dangremont and Nykerk who are engaged at Overisel. The firm will take possession of the business on next Monday.

Our charter election on last Monday passed off without any great excitement although considerable feeling was exhibited in the second ward over the office of alderman. Mr. R. Kanters, the Democratic caucus nominee for mayor, declined to run owing to the fact that he would be absent from the city almost continually during the coming year, and if elected would be unable to attend to the duties of the office. The committee, in view of these facts, placed the name of Mr. I. Fairbanks on the ticket. Peter Boot, nominee for clerk, also declined to run and Henry D. Werkman was substituted in his place by the committee. The result with the majorities as announced by the Common Council last Thursday night are as follows: Mayor, W. H. Beach, 266; Supervisor, K. Schaddelée, 95; Clerk, Geo. H. Sipp, 208; Treasurer, C. Ver Schure, 61; Marshal, E. Vaupell, 190. School Inspectors, full term, N. M. Steffens, 149, E. J. Harrington, 19. School Inspector to fill vacancy, G. J. Van Duren, 104. The officers are in the first ward. Alderman, M. W. Rose, 13; Constable, Charlie Odell, 32; 2nd ward, Alderman, A. M. Burgess, 1; Constable, J. Van den Berg, 20; 3rd ward, Alderman, L. T. Kanters, 22; Constable, C. Vaupell, 50; 4th ward, Alderman, D. L. Boyd, 16; Constable, Pate Braam, 19. A large vote was polled, some 490 ballots being cast. We understand that there is some dissatisfaction in certain circles over the manner in which the ballots were counted in the first ward, and that in all probability the matter will find its way into the courts.

TWENTY FIVE YEARS AGO

Holland had a hot election and the democrats are jubilant. Henry Kremers defeated C. J. De Roo for mayor by a vote of 364 to 277. Geo. Van Duren defeated Johannes Dykema by a vote of 398 to 259. Geo. H. Sipp got his usual majority against Billy Baumgartel. Wm Verbeek defeated Cornelius Verschure for Treasurer by a vote of 359 to 286. Richard Vanden Berg got the best of Frank Van Ry for marshal by a vote of 334 to 311. Geo. Ballard and Dr. Mabbs won over Mat Notlier and Ben J. De Vries for school inspector.

Ward Officers
First Ward—Alderman, Frank H. Carr, rep., 111; John D. Kanters, fusion, 59; Blank, 1. Constable, Jacob Lokker, 90; Lewis D. Baldus, rep., 54; Pieter Vanden Tak, fusion, 26.

STUDENTS WISH TO MAKE CONTEST APRIL 30 A CITY AFFAIR.

Owing to the fact that the interest in the prohibition of alcoholic drinks is becoming so general, the Hope students are also becoming more enthusiastic. The league is now seeking the co-operation of the W. C. T. U. and others interested in this question, in order to make the coming contest of April 30th not only a college affair, but a city affair as well. The league is desirous of making this one of the greatest and most effective contests ever held in the city of Holland and from all indications they will succeed.

G. J. DIEKEMA WAS CHOSEN PRESIDENT

Was Elected Monday Night At The Closing Meeting Of The Year

The closing meeting of the year of the Century Club was held Monday at the home of Mr. and Mrs. W. J. Garrod, and the officers for the ensuing year were elected. Hon. G. J. Diekema was chosen president of the organization; J. W. Beardslee, Jr., as vice president; and Mrs. L. M. Thurber was re-elected as secretary and treasurer. Mrs. C. H. McBride and Dr. J. J. Mersen were chosen members of the executive committee.

The feature of the program Monday was an interesting paper on "Birds" by Dr. Leenhouts. Dr. Leenhouts limited his discussion to Michigan birds, and he gave many very entertaining remarks about the songsters that are familiar to all. He paid particular attention to the English sparrow, declaring that that bird should be exterminated because it was driving out the other songsters. He declared the bounty system had proved a failure and that the state should appoint persons whose duty it would be in the winter time to poison the little pests.

The music of the evening was in charge of Mrs. W. H. Wing. It consisted of a duet by Mrs. Pardee and Miss Browning; a song by Mrs. Van Verst, Miss Vennema and Mrs. Pardee; and two solos by Mrs. Van Verst. Miss Wing served as accompanist.

PROMPT REPORTING AND ACTION ON SCARLET FEVER AND DIPHTHERIA CASES

HEALTH OFFICER THINKS THAT IS REASON NEW EPIDEMICS WERE AVERTED.

Saturday quarantine was lifted on the scarlet fever case and on the diphtheria case, the only ones of their kind that have been in Holland this winter. Health Officer Godfrey attributes the success in confining the cases to the single families in which they occurred to the prompt reporting on the part of the attending physicians, and received high praise for their promptness. In each case the health officer was informed immediately when it was discovered what the disease was. In each case the house was promptly quarantined and every possible precaution was taken to prevent a spread of the disease, the people co-operating with the physician. When the cases were reported there was much uneasiness since an outbreak of one of these serious diseases after there had been so many cases of measles would have been very serious.

But with the lifting of the quarantine there is practically no measles.

The difficulty with measles still is ignorance on the part of a great many people. The old superstition still persists that everyone must at some time have measles. This superstition is dying hard, but the better informed people are gradually getting beyond it. The health department this winter has come across a number of mothers who actually took their children with deliberate intention to children who were afflicted with measles so that they might "catch it" on the theory that since they must have the disease anyway, the quicker the better.

EVAN RESSIGUE HAS BEEN DECLARED DELINQUENT AND WILL BE TURNED OVER TO JUDGE OF PROBATE

Evan Ressigue, aged 14, was brot before Justice Miles charged with being a delinquent and he will be turned over to Judge Kirby of the Probate Court. Although Ressigue is still very young, within the past week he showed that his taste for excitement ran much along the criminal line. The latter part of last week he confessed to stealing articles from the Woolworth five and ten cent store and from Brink's Book store, when questioned by Chief of Police Van Ry. At that time he was released on probation and told to report a week from today. Con De Pree reported that a wheel had been stolen from his yard and Ressigue has just confessed that he did the job.

Letter Addressed to Hope Student Goes to Holland, Europe and Return.

John Flight, a member of the Senior class of Hope college, Monday received a letter from his father in Cleveland, O., that had been on the road since March 15. Although it was plainly addressed, Holland, Mich., the letter traveled to Holland, Europe, by way of New York and return. It bore a Rotterdam postmark, a French postmark and New York postmark, besides Cleveland and Holland.

MORTGAGE SALE

Whereas, default has been made in the payment of the money secured by a mortgage dated the 4th day of June A. D. 1895, executed by John P. Oggel, a widower, of the City of Holland, County of Ottawa, State of Michigan, to Adrian B. Bowman, of the same place which mortgage was recorded in the office of the register of deeds of the County of Ottawa, in Liber 43 of mortgages on page 114, on the 5th day of June A. D. 1895, at 8:00 o'clock A. M. And whereas, the said mortgage has been duly assigned by the said Adrian B. Bowman to Jacob Wise of the City of Holland, County of Ottawa, State of Michigan, by assignment bearing date the 3rd day of August A. D. 1895, and recorded in the office of the Register of Deeds of the said County of Ottawa, in Liber 40 of mortgages on page 524, on the 5th day of August A. D. 1895, at 3:15 o'clock P. M. And whereas, the said mortgage was duly assigned by Leah Wise, in her capacity as sole surviving administratrix, of the estate of the said Jacob Wise, deceased, to Otto P. Kramer, guardian of the estate of Theresa Wise, a minor, of the City of Holland, County of Ottawa, State of Michigan, by assignment bearing date the 28th day of May A. D. 1907, and recorded in the office of the Register of Deeds of the said County of Ottawa, in Liber 77 of mortgages on page 267, on the 14th day of December A. D. 1907, at 8:30 o'clock A. M. and the same is now owned by the said Otto P. Kramer, guardian of the estate of Theresa Wise, a minor.

And whereas, the amount now claimed to be due on said mortgage and note accompanying same at the date of this notice is the sum of Four Hundred Forty-Nine Dollars and Eighty-four Cents (\$449.84), of principal and interest, and the attorney fee in the sum of fifteen Dollars (\$15.00), provided for in said mortgage.

And whereas, default has been made in the payment of the money secured by a mortgage dated the 2nd day of April A. D. 1906, executed by the said John P. Oggel of the City of Holland, County of Ottawa, State of Michigan, to Bertha Wise, of the same place which mortgage was recorded in the office of the Register of Deeds, of the County of Ottawa, in Liber 76 of mortgages, on page 184, on the 4th day of April A. D. 1906, at 3:00 o'clock P. M., and whereas, the said mortgage has been duly assigned by Leah Wise in her capacity as executrix of the estate of the said Bertha Wise, deceased, to Otto P. Kramer guardian of the estate of the said Theresa Wise, a minor, of the City of Holland, County of Ottawa, State of Michigan, by assignment bearing date the 19th day of December A. D. 1907, and recorded in the office of the register of deeds of the said County of Ottawa, in Liber 77 of mortgages on page 272, on the 23rd day of December A. D. 1907, at 8:00 o'clock A. M. and the same is now owned by the said Otto P. Kramer, guardian of the estate of Theresa Wise, a minor.

And whereas, the amount now claimed to be due on said mortgage and note accompanying same at the date of this notice is the sum of One Hundred Twenty-seven dollars and thirty-seven cents, (\$127.37), of principal and interest, and the attorney fee in the sum of Fifteen Dollars, (\$15.00), provided for in said mortgage and by statute,

And whereas, the whole amount now claimed to be due and unpaid on said mortgages and the notes accompanying same including principal and interest is the sum of Five Hundred Seventy-seven Dollars and twenty-one cents, (\$577.21), and attorney fees in the sum of Thirty Dollars, (\$30.00), provided for in said mortgages and by statute as hereinbefore set forth, and no suit or proceeding having been instituted at law to recover the debt now remaining secured by said mortgages or either of them, or any part thereof, whereby the power of sale contained in said mortgages, and each of them has become operative.

Notice is, therefore, hereby given that by virtue of the power of sale in said mortgages, and each of them, contained, and in pursuance of the statute in such case made and provided, the said mortgages will be foreclosed by a sale of the premises therein described, at public auction to the highest bidder at the North front door of the Court House, in the City of Grand Haven, in the said County of Ottawa, on the 20th day of April A. D. 1914, at 2:00 o'clock in the afternoon of that day; which said premises are described in each and both of said mortgages as follows, to-wit:—All that part of Lot Numbered one (1), in Block Sixty-three (63), in the City of Holland in the County of Ottawa, State of Michigan, bound as follows; bounded on the North (N.), East (E), and South (S) sides by the North, East (E) and South (S) lines of said lot and on the West (W) side by a line parallel with the East (E) line of said lot, and one hundred (100) feet West (W) thereof; and being the East (E) One Hundred (100) feet of said lot numbered one (1), Block Sixty-three (63), of said City of Holland, according to the recorded plat thereof as recorded in the office of the register of deeds of the said County of Ottawa.

Dated this 17th day of January A. D. 1914.

Otto P. Kramer, Guardian of the estate of Theresa Wise, a Minor.

MAURICE ATWOOD ASKS FOR NEW TRIAL

A motion has been filed with County Clerk Glerum by the attorneys of Maurice Atwood, convicted of manslaughter in the January term of court, for a new trial. Atwood was found guilty of causing the death of his wife of clandestine marriage, Zelma Hammond Atwood, and attorneys in the case have complied with requirements in filing the motion within sixty days after the verdict. Judge Cross will hear the motion at this term of court.

LUSAK OF GRAND HAVEN PLEADS GUILTY; GETS \$60 AND TEN DAYS

For selling liquor at a Polish club Lusak drew a fine of \$60 and costs and ten days in the county bastille for selling liquor at the Polish club while acting as a bar tender.

Lusak was arrested March 27, by Marshal Welch on a charge of having sold beer, whiskey and wine to members of the Polish club on Franklin street, of which club he acted as bar tender. Lusak demanded an examination which was adjourned until Friday, April 3. It has been the intention of Lusak's friends to fight the case on the grounds that no money had been received in payment for the liquor, but checks instead. When the law was read to Lusak, however, he decided to plead guilty to the charge.

Will Be Eight Bands in Parade.

The executive committee of the local order of the Eagles will meet tonight to make plans for the coming Eagles' State convention, which will be held in this city about the middle of June. The two big features of the convention will be the public reception of visiting delegates, and the big parade with eight bands and in which it is expected some 4,000 Eagles will take part.

LAUNCH FISH TUG

Small Steel Fish Tug Built on Great Lakes Completed At Gile Plant

At 9 o'clock Thursday morning there was launched from the docks of the Gile Boat and Engine company the smallest steel fish tug ever built under construction for the past three months, and it sailed under its own power for Grand Haven where it will engage in the fishing business for O'Brien Brothers of that city. This fish tug which will be called Johanna, is 42 feet long, 11 feet beam and 5 feet moulded depth. It is a three-man boat equipped with a 35 horse power steam engine and boiler and a new Pent-water net lifter. The Johanna is expected to make about nine miles an hour. The Gile company is rapidly getting to the front as one of the recognized leaders in the building of small steel boats. Within a few days the keel will be laid for another and larger fish tug at the local plant.—Ludington Chronicle.

WOMEN RELIEF CORPS ARE HUNTING OLD RUBBERS TO SELL TO JUNK DEALER

The Women's Relief corps has divided into two squads and until May 15 the different factions will compete with each other to see which can gather the most rubber to sell to the junk man. The losing side must entertain the winners with a supper.

FOUR COLLEGES TO BE REPRESENTED

It was reported to the Hope Prohibition League that four colleges would be represented here in the state contest, which is to be held April 30th. The Colleges are Alma, Albion, Adrian and Hope, M. A. C. was also expected to enter, but for unknown reasons she dropped out.

The League also received word from the I. P. A. that D. Calvin, president of the I. P. A. would be present on April 29th for a rousing rally. Mr. Calvin will be placed on the list as one of the judges in the contest. The League is also trying to secure one of Michigan's best Anti speakers for this occasion.

The Woman's Temperance Union held a meeting Friday at the home of Mrs. Whitman. Mrs. Benjamin Du Mez lead the meeting.

"The Ribbon White," a duet by Mrs. Turner and Miss Ada Whitman accompanied by Miss Elsie Gowdy, was the first number on the program.

"Mother National and her Daughters" was a personification of nine of the more than forty departments of the Woman's Christian Temperance Unions. The young ladies representing this work were: Miss Ruth Post, Mother's Meetings; Miss Sarah Veltman, Medal Contests; Miss Eva Leenhouts, Medical Temperance; Miss Thelma Welton, the Press; Miss Ruth Blekkink, Franchise; Miss Christine Cappon, Evangelistic; Miss Elsie Gowdy, Curfew; Miss Alice Dubbink, Mercy; Miss Anna Dutton, Flower Missions. As Mrs. Post representing "Mother National" introduced her "daughters" each responded with a most interesting sketch of the work of her department.

GREENBACKS

Not a great many people have taken the trouble to find out why Uncle Sam's bank notes are printed with green backs. The great drawback to paper currency is the likelihood of counterfeiting, and this danger has been the chief reason for the constant study of experts who constantly seek a plan whereby bills cannot be copied.

Stacy J. Edson was the man who, in 1857, invented the green ink which Uncle Sam uses, and this he patented. It is anti-photographic; that is, it cannot be alkalis by counterfeiters working to get a facsimile of the notes. The secret of the ink's ingredients, of course, is carefully kept by the American Bank Note Company.

Wrestling Match Lasted Four Hours.

In a wrestling match held in Holland Friday, between George Ver Hoef of Holland, and Casey Vander Jagt from the North Side, Ver Hoef was victorious, getting the first fall in four minutes and the second in four hours. At the end of the second fall both men were completely worn out. A return match will be pulled off a little later.
